

OTHER HELPFUL INFORMATION FOR COMMERCIAL PROPERTY OWNERS, MANAGERS AND TENANTS

Graffiti:

Graffiti makes a neighborhood or business area appear unsafe and undesirable. Businesses targeted by graffiti realize reduced patronage. If your business or commercial building is tagged, report it to the police at 235-8278 (your insurance company will need a copy of the Police Incident Report); document it (your insurance company may also need pictures for claim submission); and remove it as soon as possible (24-48 hours is ideal).

Adopt-a-Street:

Businesses and organizations in the Casper area are adopting a street and keeping the street right-of-way free from litter. Many choose the street by their business. For more information on this Chamber of Commerce and Keep Casper Beautiful partnership, call 235-7562.

Commercial Trash Service:

The City of Casper has commercial trash service and cardboard recycling available throughout the city and within a two mile radius of the city limits. The rates are competitive, and there are pricing incentives for utilizing the commercial cardboard recycling service. For information on how this service would benefit your business, call 235-8246.

Let's all pitch in and do our part to keep Casper a clean and safe place to live.
